- 10:00-10:30 Symposium closure

Final number of credit points will be determined  
after Serbian Veterinary Chamber symposium accreditation!

Dear madam/sir,

We would like to inform you that the Faculty of Veterinary Medicine of the University of Belgrade, Department of reproduction, fertility and artificial insemination is organizing the 12<sup>th</sup> Scientific Symposium, entitled "Reproduction of Domestic Animals". This 12<sup>th</sup> symposium will be traditionally held in the period from October 7-10, 2021, but this time in the well-known ambience of the hotel "Divčibare", in Divčibare.

The Organizing Committee considered that it was possible to hold a real-time meeting, with the physical presence of lecturers and listeners, but we reserve the right to transfer the meeting to the form of a webinar, if required by the epidemiological situation. As with all previous symposia, the Organizing Committee expects that a large number of eminent lecturers from a number of countries in the region and beyond will respond to our invitation. Some lecturers from abroad will contact the gathering via an internet link, as they are not yet ready for real social contacts. The Organizing Committee expects that our esteemed colleagues from Slovenia (Prof. dr Janko Mrkun), Austria (Prof. dr Drillich Marc, Prof. dr Shaefer Sabine) and Macedonia (Prof. dr Dovenski Toni and Prof. dr Atanasov Branko) will take part in the meeting. Our esteemed colleagues dr Tamaš Petrović from Novi Sad, as well as dr Milanko Šekler from Kraljevo will also participate in the symposium! We are especially pleased to have the opportunity to follow the lecture of Prof. dr Pogrmić-Majkić Kristina, from the Faculty of Natural Sciences and Mathematics, University of Novi Sad! Traditionally, our colleagues from Faculty of veterinary medicine in Belgrade Prof. dr Natalija Fratrić, Prof. dr Dragan Šefer, Prof. dr Miloš Pavlović and Doc. dr Ljubodrag Stanišić will address the gathering as speakers., while at the beginning of symposium one lecture will be held by Prof. dr Sonja Radojičić. This year, as a guest lecturer, our colleague dr Željko Sladojević from the Institute "Dr Vaso Butozan" from Banja Luka, will also take part in the symposium.

We would also like to invite all interested colleagues to submit their papers for oral or poster presentation as soon as possible. The deadline for submitting short titles is September 1, 2021, while the deadline for receiving complete papers is September 15, 2021. Brief instructions for the preparation and submission of works can be found in this notice.

The Organizing Committee cordially invites you once again to visit this gathering and to feel comfortable hanging out with colleagues and friends. For all additional information you can contact the Secretariat of the Organizing Committee, tel. +381 11 2684184, or e-mail address [vzozdic@vet.bg.ac.rs](mailto:vzozdic@vet.bg.ac.rs).
