

## Eastern European Veterinary Conference - EEVC

**Belgrade, Serbia**  
**October 6<sup>th</sup> – 8<sup>th</sup>, 2016**

### Advancing the veterinary profession in Eastern Europe

EEVC is an exciting new initiative and a new small animal veterinary conference designed to serve the continuing education needs of veterinarians in the wider Eastern European region.

The conference will offer cutting-edge international speakers, the largest regional and international trade exhibition and unparalleled opportunities for professional networking during an affordable, high-quality, 3-day annual meeting. EEVC will rotate each year between different countries within the region.

The Conference is managed by a Board comprising representatives from the Serbian, Croatian, Bulgarian and Romanian Small Animal Veterinary Associations and is underpinned by the expertise of the British Small Animal Veterinary Association (BSAVA).

**The EEVC mission statement is: Advancing the veterinary profession in Eastern Europe.**
