

01. Uticaj nerasta i godišnje sezone na pojedine parametre fertilizacionog potencijala spermatozoida

Boar and season effects on some parameters of semen fertilizing potential

Apić Jelena, Radović Ivan, Stančić Ivan, Vakanjac Slobodanka

02. Molekularna detekcija *Babesia* spp. u krpeljima uzorkovanim sa asimptomatskih pasa na području određenih beogradskih opština

Molecular detection of *Babesia* spp. in ticks sampled from asymptomatic dogs in the area of some Belgrade municipalities

Davitkov Darko, Terzić Srećko, Davitkov Dajana, Radaković Milena, Gajić Bojan, Krstić Vanja, Stanimirović Zoran

03. Program iskorenjivanja infektivnog goveđeg rinotraheitisa / infektivnog pustuloznog vulvovaginitisa u Republici Srbiji

The program for eradication of infectious bovine rhinotracheitis / infectious pustular vulvovaginitis in the Republic of Serbia

Lazić Sava, Petrović Tamaš, Bugarski Dejan, Jovičin Milovan, Plavšić Budimir, Lupulović Diana, Lazić Gospava, Polaček Vladimir

04. *A. facialis* kod tekunice (*Citellus citellus*)

A. facialis in ground squirrel (*Citellus citellus*)

Blagojević Miloš, Nikolić Zora, Božičković Ivana, Zdravković Marija

05. Uporedne karakteristike metakarpalnih kostiju (*ossa metacarpi*) i članaka prstiju (*ossa digitorum manus seu phalanges digitorum*) srne (*Capreolus capreolus*) i ovce (*Ovis aries*) u cilju utvrđivanja vrste životinja

Comparative characteristics of metacarpal bones (*ossa metacarpi*) and finger articles (*ossa digitorum pedis seu phalanges digitorum*) of roe deer (*Capreolus capreolus*) and sheep (*Ovis aries*) in order to determine animal species

Blagojević Miloš, Nikolić Zora, Zorić Zoran, Prokić Bogomir Bolka, Čupić Miladinović Dejana

06. Marekova bolest kod holandske beloćubaste živine

Marek's disease in the holland white crested chickens

Spalević Ljiljana, Maslić – Strizak Danka, Kureljušić Branislav, Milićević Vesna, Radanović Oliver, Jezdimirović Nemanja

07. Kvalitet mesa grudi brojlera hranjenih brašnom od Kalifornijskih glista i svežim glistama (*Lumbricus rubellus*)

Breast meat quality of broilers fed with californian earthworm meal and fresh earthworms (*Lumbricus rubellus*)

Janković Ljiljana, Karabasil Neđeljko, Radenković – Damnjanović Brana, Vučinić Marijana, Teodorović Radislava, Reljić – Savić Mila

08. Primena molekularnih metoda u dijagnostici infekcije svinja izazvane svinjskim cirkovirusom 2

The application of molecular methods in the diagnostics of infection of swine caused by porcine circovirus 2

Nišavić Jakov, Zorić Andrea, Milić Nenad

09. Trovanje pasa metaldehidom

Metaldehyde poisoning in dogs

Aleksić Jelena, Čupić-Miladinović Dejana, Jovanović Milijan, Aleksić-Agelidis Aleksandra
