<b>Professional development/training</b>	A short study visit to the Faculty of Veterinary Medicine in Budapest in 1994, and in 1995 to the Faculty of Veterinary Medicine in Thessaloniki. She attended a lecture entitled „Risk analysis in aquatic animal health“, organized by OIE, in June 1995, in Paris. In November 1996, she has been in Israel on a study visit with the topic „Construction and improvement of production on carp ponds“. In December 1996, she has been at a short study visit at the Veterinary Institute in Sofia, at the Department of Ichthyopathology.

<b>Professional development/training</b>	Dr Nenad Milić has been on professional training related to veterinary biological preparations at the Faculty of Veterinary Medicine in Ames, Iowa (USA) from 08.05. to 23.05.2002 under the title: "Veterinary Biologics Training Program" organized by the OIE, the Institute for International Cooperation in Veterinary Biologics, the US Department of Agriculture and the University of Iowa.	

**Additional relevant data:** Dr Nenad Milić, at the invitation of prof. Dr Eduard Kurstak held two lectures at the First World Congress on Vaccines and Immunization held in Istanbul (Turkey) from April 26th to April 30th 1998 when he also chaired the Section for Veterinary Vaccines. From 23.05.2005 he was appointed an expert for the safety and efficacy of veterinary drugs of the Medicines and Medical Devices Agency of Serbia, whilst he was elected a member of the Republic Commission for Registration of Medicines in Veterinary Medicine within the Medicines and Medical Devices Agency of Serbia on June 8 2010.

Professional development/training		In addition to the Clinic for Small Animals at the Faculty of Veterinary Medicine, University of Belgrade, she had the opportunity to supplement her knowledge in the field of anesthesia, emergency veterinary medicine and intensive care at the Faculty of Veterinary Medicine, University of Ljubljana under the supervision of doc. Dr. Alenka Seliškar. She had the opportunity to gain significant experience in the field of anesthesia of small animals by staying for several months in the Hospital for Small Animals Postojna-Slovenia, under the expert supervision of Prof. Dr. Janos Butinar, as well as at seminars and workshops in these areas, where lecturers were diplomats from England. and America. In the fall of 2019, he will continue his training in the field of anesthesia and emergency veterinary medicine for a month in Iowa (America).			
Additional relevant data She has published a total of 22 professional and scientific papers in domestic and foreign journals. 4/15/2019 In order to reorganize the work of the Clinic at the Faculty of Veterinary Medicine, and in accordance with the recommendations of European experts, she was hired as a specialist in surgery, to strengthen the capacity of the Clinic for Surgery, Orthopedics and Ophthalmology in accordance with the latest trends in veterinary surgery. In May 2017, she was one of the lecturers in a one-day, narrowly professional education in the field of emergency veterinary medicine, anesthesia and intensive care for dogs and cats. In December, 2017, he organizes and participates in a narrow workshop in emergency veterinary medicine. He is a member of the Veterinary Chamber of Serbia and the Association of Small Practice Veterinarians of Serbia. He has a license to perform veterinary activities. Within the Veterinary Chamber of Serbia, she organized three one-day trainings for veterinary practitioners in the field of anesthesia, analgesia, intensive care and emergency veterinary medicine. She has participated in numerous workshops in various fields of veterinary medicine, as an anesthesiologist. He is one of the editors of the Bulletin of the Association of Small Practice Veterinarians of Serbia.
