Пријава кандидата: врши се искључиво електронски - online преко Еразмус+ платформе Универзитета у Београду <https://mobion.bg.ac.rs/howtoapply/applicationprocedure>

The screenshot shows the Mobion application portal interface. At the top, there are logos for the University of Belgrade and Mobion. Below the logos, there is a navigation menu with links: Home, About, Erasmus+, OPEN CALLS, How to apply, Course catalogue, My applications, Register, and Login. The main content area features a large image of a classroom with students and a teacher. To the right of the image, there is a registration form with the following fields: 'Choose program' (Erasmus + / KA1 mobility), 'Home institution' (Faculty of Veterinary Medicine), 'Partner country' (Slovenia), 'Partner institution' (University of Ljubljana), and 'Area of research' (0841 Veterinary). Below these fields, the 'Application deadline' is listed as 2019-04-15 23:19:00. There are two buttons: 'Login to proceed' and 'Register to start application process'. At the bottom left, there is a 'Change mobility' button.

Рок за пријављивање на платформу Mobion је 15.04.2019. године.

Након завршетка конкурса Факултет ветеринарске медицине доставља ранг листу пријављених кандидата Универзитету у Београду који номинује кандидата, доставља номинацију партнерској институцији која доноси одлуку о стипендирању кандидата.

За све додатне информације обратите се Центру за међународну сарадњу ФВМ-а, на адресу diro@vet.bg.ac.rs, број тел. +381113671160, канцеларија 78 у главном холу факултета.

**Agreement about cooperation between
Veterinary Faculty, University of Ljubljana and Faculty of Veterinary Medicine,
University of Belgrade**
