

ACTA VETERINARIA

Vol. 49

No. 2—3

Pp. 89—214

Beograd, 1999

C O N T E N T S

	Page
Dronjak, Slađana, Nikolić, Jelena and Varagić, V.: Central and peripheral catecholamine stores in spontaneously hypertensive rats under immobilization stress	89
Steffković, M., Balent, P. Halanova, M., Hipikova, V. Levkutova, M., Horvath, M. and Levkut, M.: Hyperimmunization of rabbits with in vitro-grown Encephalitozoon cuniculi organisms	97
Nenadović, Vera, Prolić, Z., Lazarević, Jelica, Al Arid, Larisa and Ivanović, Jelisaveta: Royal jelly as a food additive and its possible biostimulating effects	105
Lovren, Mirjana, Sekulić, Milka, Milošević, Verica and Radulović, Nataša: Gonadotrophs in long-term ovariectomized rat females treated with luteinizing hormone releasing hormone and estradiol	117
Horvat, J. and Jovanović, M: The concentration of total bilirubin and activity of AST, ALT, GLDH, CPK and AP in the blood of cows before and after calving	127
Šefer, D., Sinovec, Z. and Marković, Radmila: Blood serum protein status of broilers treated by T-2 toxin	139
Pupavac, Snježana, Sinovec, Z., Koljajić, V., Mitrović, S. and Jovanović, N.: Influence of hydrothermic treatment of maize on performance and carcass yield of broilers	149
Lepojević, Olga, Česljević, V., Matić, G. and Stefanovska, Jovana: First finding of <i>Dicrocoelium (Microcoelium) eckerti</i> (Skrjabin, 1930) in red deer (<i>Cervus elaphus</i> L.) in hunting grounds of Vojvodina	157
Onyeyili, P. A., Egbu, G. O., Oliy, M. M. and Bukar, A. U.: Chemotherapy of CNS — trypanosomiasis: The combined use of isometamidium and difluoromethyl-onithine (DFMO) in immunosuppressed rabbits	163
Tambur, Z., Kulišić, Z., Maličević, Ž. and Mihailović, M.: Blood glucose, plasma osmolarity and urea and creatinine clearance in rabbits artificially infected with intestinal coccidia	171
Mladenović, M., Mladan, V. and Dugalić-Vrندیć, Nada: Effects of vitamin-mineral preparation on development and productivity of bee colonies	177
Krstić, N., Milosavljević, Ž., Nikolić, P. and Janković-Zagorčić, Anica: Roentgen-craniometric and roentgen-cephalometric analysis of points on the German shepherd dog breed	185
Stanimirović, Z., Popesković, D. and Pejović, D.: Biodiversity of the honeybee <i>Apis mellifera</i> , Linne (1758), from some Yugoslav region: I — The biometric variability of the chromosomes of the Banat and Syenishko-Peshterski ecotypes	199
Stanimirović, Z., Vučinić, Marijana and Stevanović, Jevrosima: Biodiversity of the honeybee <i>Apis mellifera</i> , Line (1758), from some Yugoslav regions: II — Ultrastructural chromosome differences between Banat and Syenishko-Peshterski honeybee ecotypes	207
