

ACTA VETERINARIA

Vol. 52

No. 2—3

Pp. 69—198

Beograd, 2002

CONTENTS

	Page
Vujić Vesna, Stanojević Stanislava and Dimitrijević Mirjana: The effect of opioid peptides on superoxide anion production in rat peritoneal macrophages stimulated with zymosan: involvement of μ , δ and κ opioid receptors	69
Vasiljević Ivana, Jovanović Marina, Ninković Milica and Maličević Ž: Nitric oxide synthase inhibition prevents acute QA-induced neurotoxicity	79
Stojić V, Nikolić J Anna, Huszenicza Gy, Šamanc H, Gvozdić D and Kirovski Danijela: The plasma levels of triiodothyronine, thyroxine and cortisol in newborn calves	85
Oner H, Oner J, Kukner A and Ozan E: Effects of estrogen and/or progesterone on the changes occurring in the uterine luminal epithelium of ovariectomized rats	97
Malobabić S, Drekić D and Prostran Mirjana: Autoradiographic topography of estrogen receptors in the amygdala of the male rat	107
Milanov Dubravka, Ašanin Ružica, Đurišić S, Suvajdžić Ljiljana and Lazić S: Detection of the classical swine fever virus antigen following experimental infection	117
Stojanović Dragica, Maličević Ž and Ašanin Ružica: The use of a new model for the investigation of sepsis	125
Pengov A: Prevalence of mycotic mastitis in cows	133
Miloradović Z, Jerkić Mirjana, Jovović Đurđica, Mihailović-Stanojević Nevena, Stošić Gordana and Marković-Lipkovski Jasmina: The effects of endothelin receptor blockade in the course of experimental postishemic acute renal failure	137
Radičević Tatjana, Raičević Smiljana and Niketić Vesna: Bighead carp myosin stability to heat and frozen storage	151
Čakić P, Stojanovski S, Kulišić, Hristovski N and Lenhardt Mirjana: Occurrence of <i>Anguillicola crassus</i> (Nematoda: Dracunculoidea) in eels of lake Ohrid, Macedonia	163
Stanimirović Z, Pejović D, Stevanović Jevrosima, Vučinić Marijana and Mirižović M: Investigations of hygienic behaviour and disease resistance in organic bee-keeping of two honeybee ecogeographic varieties from Serbia	169
Krstić N, Milosavljević Ž and Tepavčević Zvezdana: Roentgenradiometric and roentgenphalometric determination of linear parameters on dogs of German Shepard breed	181
