

ACTA VETERINARIA

Vol. 52

No. 5—6

Pp. 285—422

Beograd, 2002

C O N T E N T S

	Page
Kirovski Danijela, Stojić V, Nikolić J. Anna: Serum levels of insulin like growth factor-I and total protein in newborn calves offered different amounts of colostrum	285
Čulić Milka, Grbić Gordana, Martać Ljiljana, Todorović Vera, Drndarević Neda, Nikolić Judith Anna, Kalauzi A, Spasić Slađana: Age-related changes in the content of insulin-like growth factor-I in rat brain	299
Savić-Durković Radmila, Marković Ljiljana, Mirčetić V, Damjanov N, Ivanković Mirjana: Antigenic properties of UV irradiated DNA as a function of spectral region and time	305
Lazarević M, Kirovski Danijela, Fratrić Natalija, Milanović Svetlana, Jakovljević G, Mićanović A: The presence of naturally occurring antisperm antibodies in the sera of prepubertal calves	311
Radenović Lidija, Jovanović Marina, Vasiljević Ivana, Ninković Milica, Selaković Vesna, Malićević Ž: Nitric oxide production in the rat brain after kainate-induced seizure	319
Radojčić R, Borković Slavica, Pavlović S, Nikolić Aleksandra, Blagojević D, Saičić Zorica, Spasić M: The effect of diethyldithiocarbamate on antioxidant enzyme activities in the blood of rats	329
Turutoglu H, Mudul S, Pehlivanoglu F: Antibiotic susceptibility and β -lactamase prevalence for staphylococci isolated from bovine mastitic milk samples	337
Sutiak V, Korenek M, Šutiakova Irena, Korenekova Beata, Sobekova Anna, Vaško L, Neuschl J: The induction of inflammation in mouse tails with <i>Aspergillus oryzae</i> protease and the inhibitory effects of synthetic and natural substances <i>in vitro</i>	345
Košutzka Eva, Pribilincova Jana, Ledeč M, Marett M: The effect of selenium on mercury retention in the offspring of tressed hens	355
Baričević Ivona, Čuperlović Margita, Sofronić-Milosavljević Ljiljana, Vičovac Ljiljana: Has asialoglycoprotein receptor (ASGP-R) a role to play in binding and processing of different parasites?	361
Aydogdu A, Altunel FN, Yildirimhan HS: The occurrence of helminth parasites in barbel (<i>Barbus plebejus escherichi</i> Stendachner, 1897) of the Doganci (Bursa) Dam Lake, Turkey	369
Ozturk MO, Aydogdu A, Dogan I: The occurrence of helminth fauna in sand goby (<i>Gobius fluviatilis</i> , Pallas, 1811) from Lake Uluabat, Turkey	381
Wisniewski M, Cabaj W, Moskwa B, Wedrychowicz H: The first detection of <i>Neospora caninum</i> DNA in brains of calves in Poland	393
Lešić A, Đurđević D, Tatić V, Krstić N: Synthetic carbon fiber prosthesis for reconstruction of the anterior cruciate ligament in canine knees — radiological and pathohistological picture	401
Author and subject index	409
